	Five sided suspension	480*480mm*5 sides	Free materials	Rubik's Cube System
	Hanging on all sides	480*480mm*4 sides	Free materials	Rubik's Cube System
XC-I-3	Five sided suspension	384*384mm*5 sides	Free materials	Rubik's Cube System
	Hanging on all sides	384*384mm*4 sides	Free materials	Rubik's Cube System
	Five sided suspension	576*576mm*5 sides	Free materials	Rubik's Cube System
	Hanging on all sides	576*576mm*4 sides	Free materials	Rubik's Cube System
XC-I-4	Five sided suspension	512*512mm*5 sides	Free materials	Rubik's Cube System
	Hanging on all sides	512*512mm*4 sides	Free materials	Rubik's Cube System
XC-O-2.5	Five sided suspension	320*320mm*5 sides	Free materials	Rubik's Cube System
	Hanging on all sides	320*320mm*4 sides	Free materials	Rubik's Cube System
XC-O-3	Five sided suspension	384*384mm*5 sides	Free materials	Rubik's Cube System
	Hanging on all sides	384*384mm*4 sides	Free materials	Rubik's Cube System
	Hanging on all sides	576*576mm*4 sides	Free materials	Rubik's Cube System
	Five sided suspension	576*576mm*5 sides	Free materials	Rubik's Cube System
XC-O-3.91	Five sided suspension	500*500mm*5 sides	Free materials	Rubik's Cube System
	Hanging on all sides	500*500mm*4 sides	Free materials	Rubik's Cube System
	Hanging on all sides	750*750mm*4 sides	Free materials	Rubik's Cube System
	Five sided suspension	750*750mm*5 sides	Free materials	Rubik's Cube System

Rubik's cube wholesale supports customization!

MOBILE WIFI REMOTE OPERATION

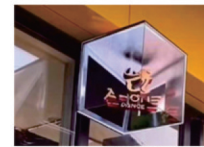

Using WiFi wireless operation, plugging in and use, abandoning complex operation and debugging methods, a mobile phone can achieve complete control of the screen, and the complimentary Rubik's Cube template can directly edit content and upload and replace with just one click, making video replacement easier and saving you expensive design costs. Applicable environment: indoor and outdoor hanging, storefront signage, bar counter placement, store streets, performing arts halls, shopping malls, exhibition halls, outdoor places, etc.

NUMEROUS TEMPLATES

Change playback content anytime, anywhere with just one click
